P.A. No. 905
Local subject no. 490
(Chitaldrug Dist.)

The water that used to collect in the Jalakere tank at Harihar which was filled upon on account of its insanitary condition is led off to the river by a channel through Brahmapuri The existence of this channel which is in disrepair has been a source of much unhealthiness to the inhabitants, and it may therefore be diverted to a portion of the Khanab land belonging to the makan at the place.

Reply of Govt:

The D.P.W will be asked to ascertain the cost of the work.

With reference to the reply of Govt: noted against it the note marginally represented, has the honour to request that a report on the question of cost may be submitted to Govt: at an early date
